

## **Product Descriptions**

### **Classique Gourmet Sauces**

Premium line of sauces and syrups that add richness and flavor to specialty beverages. Classique Gourmet Sauces are available in Sweet Dark Chocolate, Caramel and White Chocolate Syrup. Mont Blanc Gourmet also offers sugar-free options – Sweet Dark Chocolate, White Chocolate and Caramel.

### **Cold Fusion<sup>SM</sup>**

Cold Fusion is an all-natural, great tasting liquid base for blended frozen lattes. It is easier to use than messy powders and offers cost savings. With zero trans fats, this frozen beverage is available in two flavors: Vanilla and Cappuccino.

### **ChocOle'**

This refreshing, chilled coffee beverage is ready-to-drink. Simply pour this sweet and creamy dairy-based coffee drink over ice and serve, or blend with ice for a decadent, frozen treat. Packaged in a two and a half gallon bag in a box ready to dispense, it does not require refrigeration even after being opened. This one of a kind product is perfect for outdoor and temporary activities such as concerts, fairs and sporting events.

### **Private Label and Custom Formulations**

Mont Blanc Gourmet's product development team works with some of the largest coffee operations in the industry to develop custom formulations and private label programs. Through extensive research and development, Mont Blanc Gourmet flavor experts work closely with companies to create the perfect sauces, beverages, drink mixes, and/or beverage and dessert toppings to match their brand.
